

Townsend's News - 2006

Hello to all our friends and family near and far! Here is some news from the past year:-

Tim and Andrea got married on 8th. July - what a wonderful day - bride was beautiful and the rest of us didn't look too bad! (You can judge for yourselves). It was a lovely service in the church near to our house and then off to a great reception in an Aberdeen hotel. Lovely to see so many family and friends.

Susannah is spending Christmas with her friends in Manchester and then we'll see her afterwards. She has been up to Aberdeen now and again particularly for the hen party and then the wedding of course. She also had five days in Rome which she thoroughly enjoyed. She keeps busy with her work and social life!

Naomi is now into her second year at Chester and lives in a house with 7 other girls! She was 21 this year and she had a joint party with a friend and the theme was 'countries' - there were some interesting costumes. She did her fair share of travelling over the summer to Ireland, Edinburgh & Thailand!

Steve & Jenny continue to keep busy with work and church activities. Steve has had a very demanding term and will be glad when it ends! We didn't go away in the summer but we enjoyed some great days out with relatives - the weather was superb. We also spent a week lazing and pottering in the garden. We've done some interior decorating this year, which no doubt will continue next year.

May God bless you in the coming year!

Love from us all
